

## softshell jacket for men with Stretchy Fabric

### Short Description:

GL8669B modern winter jacket for men, with mechanical stretched fabric and reflex printing.

### Product Introduction:

The softshell jacket is the new design for the season. We have 3 different colors: wine red, brown and grey. Reflective printing on front and back for safety and decoration. Inside of the collar is polar fleece, that provide a warm and comfortable touch for neck. To keep the wind outside, there has an inner windproof flap under front zipper. It can also protect your chin when you pull the zipper to the top. And we also add elastic string with stopper on hood, you can adjust the tightness as you like.

On side panel of the jacket, we used 2 pieces contrast color fabric. 3 zipper pockets on chest and bottom, you can put you mobile phone or wallet in it.
