Short Description:

Mens Outdoor Workwear Jacket with Stretchy Fabric

Product Introduction:

This is a new design outdoor workwear softshell jacket for men. 2 layers fabric to keep you warm. Sweater fabric combined with plain fabric which to make the jacket with rich hand feeling and fashion looking. Meanwhile, the fabric is a little stretchy to bring you more comfortable wearing experience. This jacket is with an ergonomic shaped cutting to fit your body. Fashionable look and flexible during big movement.

We concern every details for wearers. Inner collar with fleece to make your neck warm and comfortable. There is an inner flap under front zipper, then it is good to wear in cold windy days. As a outdoor & workwear jacket, safety is the most important thing. Here we put reflective printing along zipper.

As for the color way, we take one Hi-Vis color combined with black color and one grey color combined with black color. Beside these, we have other color ways for your choice. Or we can follow your idea to make a brand new design.
